Westerly line of Third Avenue 60 feet wide South 26 degree 04 minutes 50 seconds East 25.00 feet and South 26 degrees 06 minutes 50 seconds East 1004.00 feet; thence along the Northerly line of public alley 15 feet wide, South 63 degrees 36 minutes 26 seconds West 835.40 feet; thence along the Easterly line of said Hamilton Avenue North 26 degrees 09 minutes 44 seconds West 1009.74 feet and North 26 degrees 16 minutes 30 seconds West 31.22 feet to the Point of Beginning.

1. All Documents¹ related to permits, licenses, and the like issued to or for the Property or its owners or occupants, including without limitation, all such permits, licenses, and the like, all applications submitted in support thereof, and all documentation supporting such applications.

2. All Documents related to citations or violations issued to or for the Property or its owners or occupants.

3. All Documents reflecting communications to, from, and between the Environmental Protection Agency, including without limitation its employees, agents, and representatives, and any department, division, or program, thereof, and the owners or occupants of the Property.

4. All Documents reflecting communications to, from, and between the Environmental Protection Agency, including without limitation its employees, agents, and representatives, and any department, division, or program, thereof, and any other federal, state, or local governmental body, agency, department, division, or program, discussing or relating to the Property.

5. All reports, memoranda, Phase 1 and Phase 2 environmental assessments, Due Care Plans, and the like, whether internal or external, prepared by or for the Environmental Protection Agency, including without limitation its employees, agents, and representatives, and any department, division, or program thereof, discussing or relating to the Property.

¹ "Document" (and its plural) means any physical or electronic writing or record of any kind, whether originals or copies, including but not limited to: correspondence; memoranda; contracts; invoices; purchase orders; transcripts; recordings or minutes of verbal or other communications and meetings; ledgers; journals; business entries of any type or kind; computer print outs; telegraphs; and microphones and disks, tapes, or any other storage medium on which data, records, statements, or communications have been electronically or otherwise recorded or stored. "Document" includes the original and all copies (whether or not different from the original because of notes made on or attached to each copy or otherwise).
